Sydney Tap and Bathroomware has been a family run Bathroomware company for over 35 years. We have evolved from a small store in Surry Hills to a larger more expansive showroom in Alexandria. We work with the most luxurious and sophisticated bathroom suppliers from both the European and Asian continent. We love what we do and expect no less from our friendly staff. If you're looking to test your design skill, explore the range of colour options available in Bathroomware and gain valuable experience, then read on below and apply!

Responsibilities and Requirements

- Design – Possess excellent eye for detail, colour matching and layout skills to help customers create their dream bathroom space.
- Relationships – Have a strong sense of communication and help develop long-term relationships with builders, architects and designers
- Computer skills – Utilise your creative skills with adobe products including Photoshop and InDesign to create posters, flyers, social media pictures and sales gallery images for the website
- Motivated – Be willing to try a range of different skills that aren't usually required as part of a hard-working family orientated team.
- Showroom Standards - Keeping a pristine experience for our visitors using excellent retail presentation standards.
- Caring – Showcase your compassion, empathy and caring nature to our clients to continue on our strong tradition of friendly customer service.

Benefits of working for us

- Work Balance – We understand everybody has a life outside work and that is why we are a Monday – Friday business 8:00am – 4:00pm
- Friendly Staff – Our work environment is supportive and friendly, we are always willing to help and will provide excellent product training throughout your time. We are a small team which means you have plenty of people around you to offer a hand when needed.
- Luxury Product – we work with designer brands from across the European and Asian continent which opens new opportunities to working with companies across the globe.
- Coffee and Friday Lunch – Every staff member gets coffee in the morning and we have Friday Lunch (on us) together from the pub up the road
