Features

- Integrated appearance of luxury, style, elegance
- Revolutionary technology, Actilight, keeps the toilet clean on its own, ridding it of both visible and invisible waste
- Tornado Flushing for powerful flushing effect with less amount of water
- Integral Washlet features front and rear warm water washing
- Automatic operation : Lid opens, closes and toilet flushes when sensor is activated
- Auto soft light function for night time usage.

Actilight is a cutting-edge cleaning technology that includes a scientific glaze that's fired onto the bowl and a UV light inside the lid. These two features work together to generate the photocatalytic process that decomposes bacteria and waste. It keeps the toilet looking and feeling brand new.
