

Settecento 44 Freestanding Pedestal Basin

FLSE44/COL, FLSE44/COL.01, FLSE44/COL.09, FLSE44/COL.11, FLSE44/COL.18, FLSE44/COL.22

The Settecento washbasin is inspired by the holy water fonts as are found in baroque churches and are normally made of marble. We fine-tuned thickness values and details and obtained an unprecedented three-dimensional effect in the ceramic material. This basin, of imposing size, becomes the protagonist of the bathroom environment both in the countertop version and in the free-standing version.
