Contura II Cleanflush™ Invisi II

Toilet Suite pictured in White (W) colour option.

Embrace natural luxury with the Caroma Contura Collection - sculptural design with an organic simplicity to create a sense of subtle indulgence for your bathroom. The suite comprises of the **Contura II Cleanflush™** pan and trusted Caroma **Invisi II** cistern to offer a seamless finish to any domestic or commercial bathroom.

Combining industry leading rimless pan technology and GermGard® Antibacterial Protection; a unique technology which kills harmful bacteria, **Cleanflush™** is a superior flushing system suitable for domestic and commercial applications. Incorporating several patented technologies: Caroma Flow Splitter™, Caroma Flow Balancer™ and Caroma Uni-Orbital® Connector, the Cleanflush™ pan is innovative and the next evolution in toilets. The Flow Splitter evenly flows water around the top of the bowl to meet at the Flow Balancer which directs the water powerfully into the sump, reducing the need for brush cleaning. The rimless pan is easy to clean and unlike traditional pan profiles, provides full visibility of any grime build up. Caroma Cleanflush™ provides a cleaner clean for peace of mind.

Pan: **Contura II Cleanflush™** back inlet 4.5 litre full flush wall hung rimless pan

Traps: P-trap only, unvented.

Inlet: Fully glazed 50mm back inlet for concealed cistern and flushvalve installation.

Cisterns and Flushvalves: **Invisi II Cistern** – suitable for inwall, under counter, induct and in ceiling applications. The Contura II Round Push Buttons and Access Plate (supplied separately) are available in 5 finishes: Chrome (C), Black (B), Brushed Brass (BB), Brushed Bronze (BBZ) and Brushed Nickel (BN). Code No.848810.

Fixing: **Invisi II Wall Hung Pan Bracket** options — **D.403 Standard** Code No.237403, **D.402 Undercounter** Code No.237402

Sanifix Wall Hung Pan Bracket options — **D.788 Bolt Through the Wall Bracket** Code No.687788. **Note:** The bracket systems are suitable for installation only where non compressible wall materials are used.

Cistern – the cistern and bracket for under counter or in wall Invisi II systems are pre-assembled and are supplied with the flush pipe and a waste pipe suitable for installation in a 90mm cavity wall. Structural brick wall systems require the cistern to be fixed to the wall. For in wall applications with raised height cisterns an extension kit is provided with the kit.

Seats: The **Contura II** soft close quick release thermoset toilet seat with GermGard® Antibacterial Protection is provided as standard with seat caps in Stainless Steel. Optional seat caps are available in Brushed Bronze (BBZ). Seat available in three (3) colour options: White (W), Matte White (MW) and Clay (CL). Code No.300085.

Colours: White (W), Matte White (MW) and Clay (CL).

Installation: The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.
